Subject: RE: Conference Call, Monday October 17, 11:30 AM CST, Jeffersonville, In.

Thank you everyone for the call that we had to discuss Jeffersonville's/Scott Chinn's letter to IDEM.

On our call, we decided to ask via letter that Jeffersonville clarify its request. In particular, it was not entirely clear if they were asking for an extension or to also revisit controls. They also did an FCA assessment of the current schedule but did not do an FCA of their requested schedule.

As agreed to on the call, we drafted the attached letter. Please let us know what comments that you have on the letter. After reviving your comments, we can finalize the draft and send it back to you all to route for signature. We were not sure who would sign at IDEM and left that for you all to fill in. Pat Kuefler is the signature for EPA. Terry checked with Nigel and Nigel was okay having this letter come from EPA and IDEM.

Please provide your comments by the 17th and let us know if you have any questions.
